

A large, stylized, gold-colored 'W' logo is centered in the upper half of the image. The 'W' is composed of several parallel lines that converge at the bottom, creating a sense of depth and movement. The background is a dark blue with a fine, wavy, textured pattern.

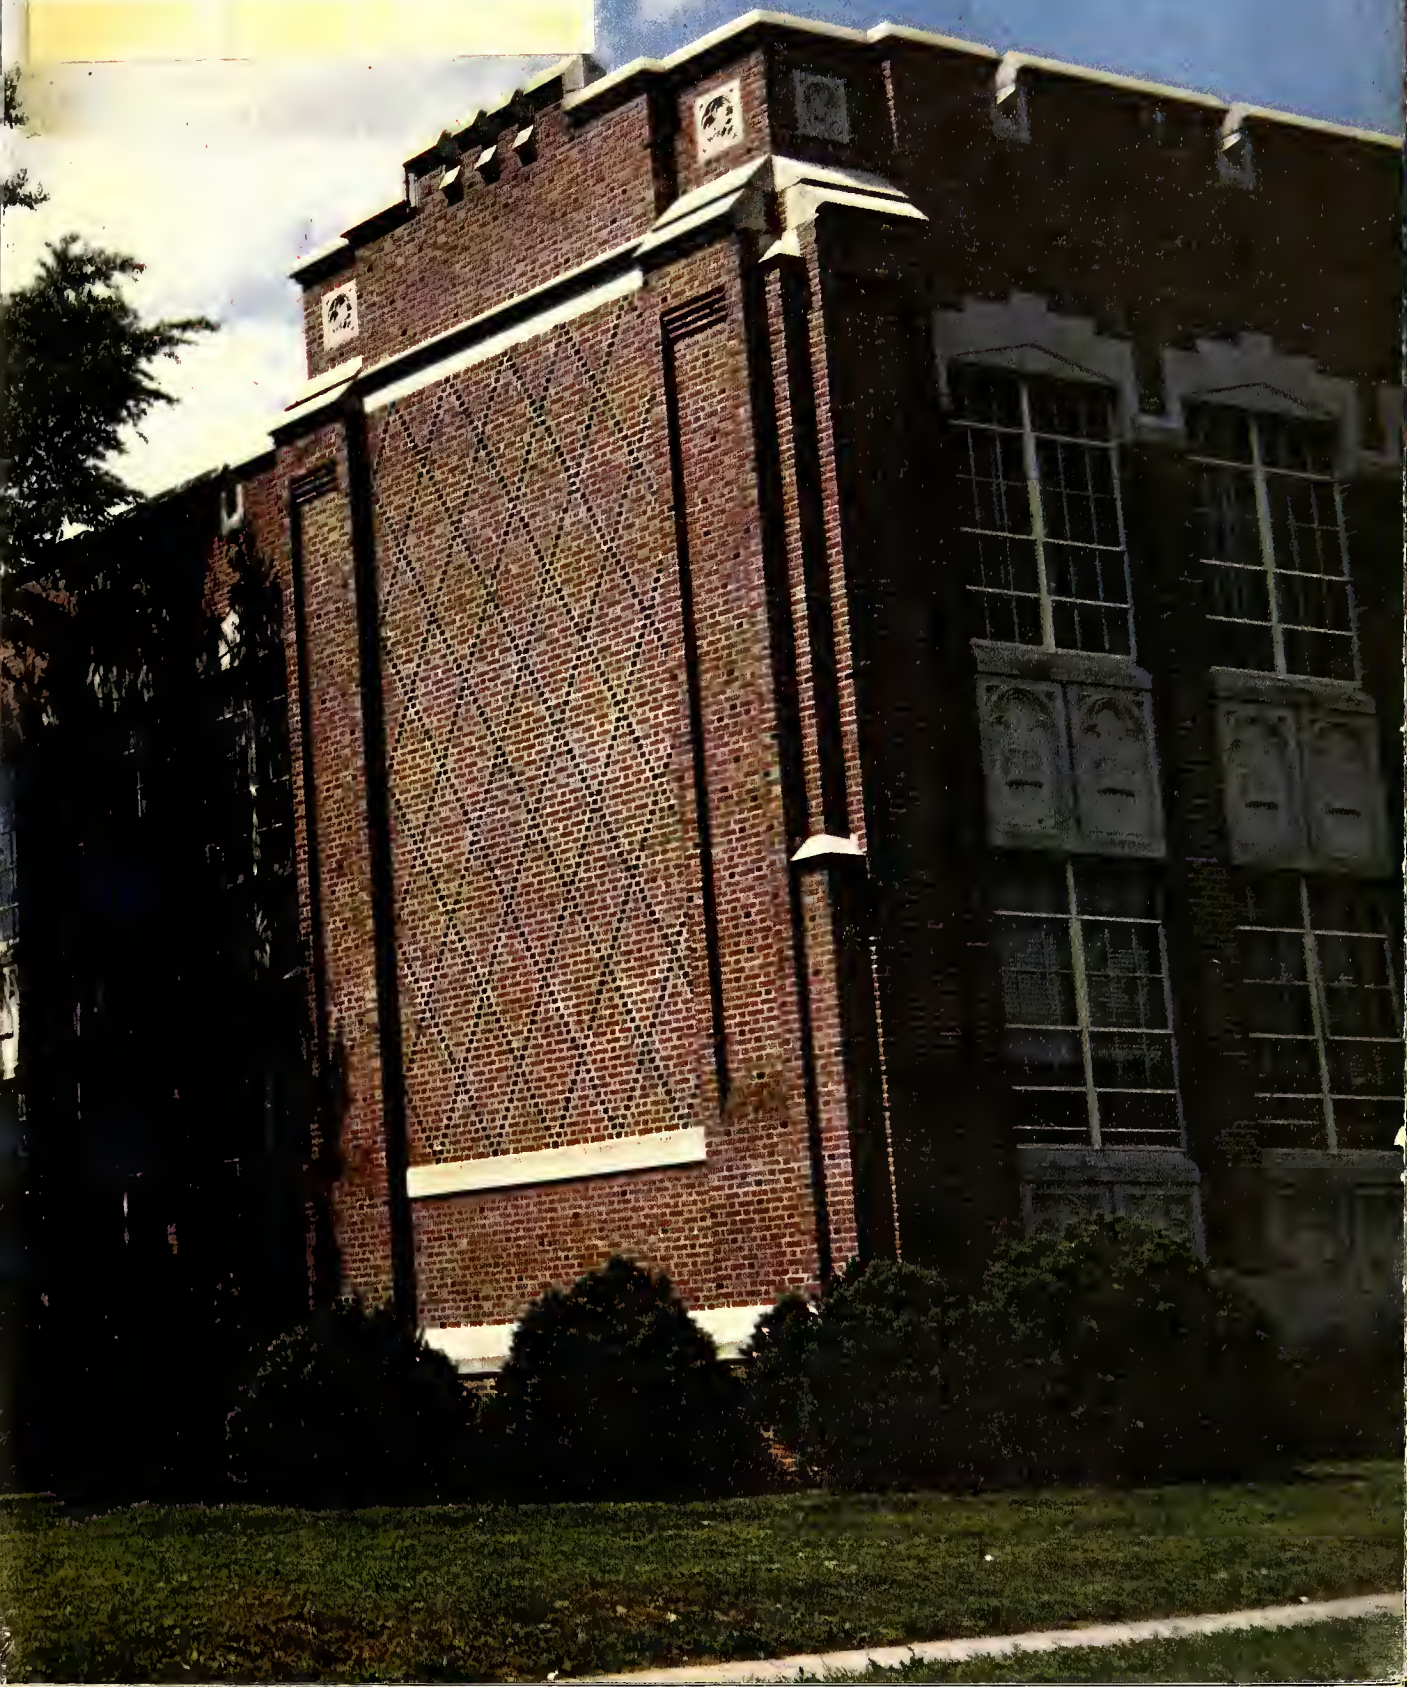

Pep Pac

A small, stylized, gold-colored 'V' logo is centered in the lower half of the image, below the 'Pep Pac' text. It is composed of two parallel lines that converge at the bottom, similar in style to the larger 'W' logo above it.

ALMA MATER

Hail to the dearest school of all,

Alma Mater mine.

Loyal we will be to thee,

Singing praises thine.

When high school days are over

And we leave this blessed shrine,

We'll win the victory and the

Right for Alma Mater and

The blue and the white.

Lest We Forget

1960-1961

At Henderson High School

This year, 1960-1961, holds many wonderful memories --- memories of high school that we shall cherish forever. The laughter in the halls, the morning announcements, report cards, the patient and understanding attitude of our teachers, cramming for exams, dances, the friends we've made --- all this we know as H. H. S.

Time has a way of erasing many of these wonderful memories; so, we, the Pep Pac Staff, offer this small collection of memories of 1960 - 1961 here at Henderson High School --- "LEST WE FORGET."

DEDICATION

Our theme--Lest We Forget--can well be applied to the person whom we have chosen to dedicate the Pep Pac to this year. She has gained love and respect from all students here at Henderson High School through her patient and understanding ways and through her tireless efforts.

This is the dedication of our cherished memories to a very dear friend. This is the dedication of our love and esteem to a great Christian teacher. This is the dedication of our hopes and dreams to an honest emulation of her who has been an inspiration to all of us.

Indeed, Miss Stanton, you are an asset to our school--your wonderful work and leadership with "The Bulldog," the long hours you have spent in guiding individuals, your knowledge in the classroom, your excellent display of school spirit in various school activities--all of these qualities are admired by everyone.

We owe you much, so with love and deep appreciation we proudly dedicate our 1960-1961 Pep Pac to you, Miss Peggy Stanton.

TRIBUTE TO OUR TEACHERS

He came to my desk with a quivering lip;
The lesson was done;
"Dear Teacher, I want a new leaf," he said,
"I have spoiled this one."
I took the old leaf, torn and blotted,
And gave him a new one, all unspotted,
And into his sad eyes smiled:
"Do better now, my child. . .!"

To The Seniors....

To the Seniors

LEST WE FORGET our Seniors
Who soon far off will still be near;
A special place in our hearts you'll hold,
And we'll never forget you tho' days grow old.

Our best to you we want to send,
And wish you luck as you descend
From the portals of school, into life
Facing life's challenge in your strife.

We say it for an hour
We say it smiling,
We say it coldly,
And yet we have

From The Seniors....

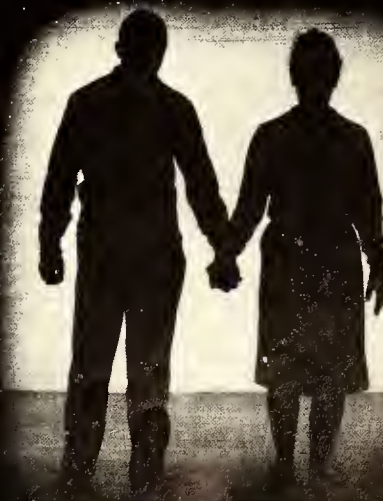

From the Seniors

The day he slipped that class ring on,
The long, long talks on the phone,
The parties, dances, dates, and fun,
If only it had just begun,

We've spent wonderful days in this blessed shrine,
Please take care of those we leave behind;
With tearful smiles we look back to you,
And we want you to remember --- "We'll miss you, too."

or for a year;
say it choked with tears;
say it with a kiss,
no other word than this ---
"Good-by"

CLASS POEM

Now the sun begins to set

Now the end is drawing near.

Golden memories are all we have

Of our high school days, and this final year.

Now we begin to search our hearts

And seek out memories, our joys and fears

As time drifts by, we'll hold them tight

To remind us of our high school years.

Every joy and every heartbreak

Will linger always in our heart

The football games, the Junior-Senior

And now the time when we must part.

Yes, the time is fast approaching

When we will go our separate ways

But each of us will share together

These memories of our high school days.

Ronnie Michels & Nancy Harris

LAST WILL AND TESTAMENT

ARTICLE I: To the Faculty

To Mr. Kesler, we leave our deepest and most sincere appreciation for his help and understanding throughout four years.

To the teachers, we leave the dream, "Summertime is coming" so they will have something to look forward to.

To Mr. Hearne, our beloved band director, we leave our sympathy and hope that he understands that, "kids will be noisy kids."

ARTICLE II: To the Classes

To the Junior Class, we leave the honor of being called Seniors.

To the Sophomore Class, we leave the hard and also satisfying work of the Jr. Sr.

To the Freshman Class, we leave the distinction of not being underclassmen.

To Ronnie Michels we give our appreciation for making the final year the best ever.

Matilda Gholson leaves her homecoming crown, magic wand, and her dream come true to next year's homecoming queen.

Bill Hight leaves his chevy to the birds. Now it might gain the power to fly over traffic instead of through it.

To all the girls of HHS, we leave the memory of William Leathers; his type is scarce these days.

Bill Jordan leaves his 1001 ways of getting attention to all those who want attention.

Charles Perry leaves his "Old Faithful" school bus to next year's driver.

CLASS PROPHECY

As I passed through the portals of Henderson High School in 1971, I remembered the old, old homecoming theme, "A Dream Come True." I wondered how many dreams had come true for our graduating class. As I glanced through the register for our first reunion after ten years, I noticed the class roster and their achieved positions:

Becky Adcock, leaving Raleigh and the little Finches behind, came to the reunion on horseback since she still doesn't have her license.

Sylvia Carver, Mildred Burgess, and Peggy Allen have opened their "Gateways to Success" as the leading business women of Henderson.

As usual Ronnie Michels wants the world to know of his success; his operations may be seen on "Medic."

Margie Lou Hicks leaves Richard in care of the shoe store while she adds her witty ways to the reunion.

Johnny Adams has just opened his new supermarket with Mrs. Adams singing at the opening.

Ruth Knott flies in from Charlotte with additional charm and beauty, which she received from her own charm school.

Charles Collins is found distributing his latest book, "Sleep is a Beautiful Thing."

Coach Garland Greenway proudly enters after bringing Henderson High School's football team to an all time high.

The beautiful and sophisticated Kay Hoyle has followed the long line of beautiful Hoyles by adding a lengthy number of beauty titles to the clan.

Sarah Atkins has used her warmth and understanding wisely; all of your problems may be answered in her helpful column.

Mary Lacy Hannon, Carolyn Reavis, and Randi Deacon have made Henderson High their second home as teachers of history, English, and typing, respectively.

Fateena Abbott's love for horses has brought her much success; she was selected for part in National Velvet.

David Hedgepeth, Victor Horton, and Charles Roberson's love of cars has proven obvious, since the 1971 Fords have been designed by them.

From privates to generals in the army have come the following: Billy Brame, Ronnie Hedgepeth, Jeff Hinsley, and Freddie Sanford.

Legal or private secretaries, these are the positions held by these shorthand cuties: Jean Franklin, Becky BARNETTE, Judy Brame, Frances Lloyd, and Joyce Roberson.

Between modeling jobs and airline hostessing, Carolyn Faulkner, Scarlett Herion, and Elizabeth Roberson are able to put a little fun in their lives. (As if they needed it.)

David Rose just designs the buildings for Roses and lets the rest of the family make the profits from the merchandise.

Even though Margaret Hamm is the mother of four, she still has the honor of having the best figure around. (All around)

With her sparkling eyes and her glowing smile, Matilda becomes the Homeloving Queen of some lucky man.

Dennis Hughes has decided not to let work interfere with his career so he's living it up.

The men in the jets may be comprised greatly by Henderson High students: Curtis Bradsher, Ronnie Evans, George Grissom, Bobby Parrish, and Marvin Wortham.

Pat Hanford, Chloe Hart, Margie Mangum, Jean Roberson, Ann Vaughan, and Eddie Jean Wiggins have formed their own organization called the "Perry Mason Secretaries."

Mollie Bagley and a Mr. Lanier have joint ownership in drive-in theaters over the world.

Phyllis Brown has opened a new world of science since she has discovered the key to moon flights.

It seems that Frank Cowan has all the high school boys driving his floral trucks for "Frank's Florist."

Bennie Fields has sore feet from walking the floor all day. This is sad but is one of the requirements as a Rose's floor manager.

Rita Adams has put her talent of hair styling to use, she even invented a hair style for Yul Bryner.

We find Nona Vick the leading saleslady and director of Davis's fashion show.

Mary Parham's friendliness has been a great asset in her life. Due to her grand personality she has been selected as ambassador to Cuba.

In order to get the true meaning of French across to her students, Elinor Folger has departed for "Gay Paree" (I'm sure she'll learn more than the French language.)

Bill Hight, known as good old Bill, keeps Carolina Warehouse going hard and strong.

Steve Cottrell has just received a plaque for making a new record in basketball. As Mrs. Cottrell, it's Gail's duty to keep the plaque shining.

After giving State College a heck-of-a-time, Bobby Daniel, Steve Roberson, Freddie Kirkland, and Bud Goodrich move out into the world of success.

Jackie Frazier, Karen Wells, Ann Ayscue, Joan Roberson, and Shelva Weaver get very tired of smiling, but that's one of the many duties as a nurse.

Sgt. Bobby White is very strict over his men, but he goes easy on his old friend Pvt. Tommy Tucker.

Bobby Clark, Vance Barham, Donald Peoples, Kenneth Forsythe, and Billy Perry have progressed from D. E. class to the leading business men of North Carolina.

Wesley Kelly, the all-American male, has proved athletics can provide a large salary. (Right "Money Man?")

James Cooper III follows dad's footsteps as a prominent lawyer and golfer.

After many years of going steady, Pat Boone and Sandra South decide a high school sweetheart is really the best for marriage.

Janet Poythress and Nancy Garrett are presently in the finals for the Nobel Prize. (They always did write good themes.)

After being the "Lone Wolf" for a number of years Bonnie Peoples decides to calm down her spirit and become a glowing housewife.

Jerry Ayscue is presently on his honeymoon; he just married a real "Doll."

Nancy Davis and Faye Averette, who are penthouse roommates, are still leading the boys around with their flirtatious ways.

Kermit Ellis, Richard Finch, Ronnie Faulkner, Billy Kearney, Irving Gupton, and Jim Helderman, who comprise the "Dixie Cardinals", won't make the reunion due to a conflicting engagement on the "Ed Sullivan Show."

At U. N. C. we find Howell Nelson, a noted English professor.

Somewhere in the world of success we find William Leathers, with his all around personality and abilities.

Diane Oakley is in order for congratulations, after being named one of the ten best-dressed women in the United States.

Wally Morgan, the proud owner of fifty roller skating rinks, begins on his fifty-first.

Carolyn Hamm and Sally Vaughan are in competition to see who can present the best kindergarten play.

Bill Jordan and Patricia Kesler have joint ownership in the undertaking service known as "Bill's Body Shop."

Barbara Dement, Carolyn Pegram, Lawrence Elliot, and Shirley McDaniel have found that marriage provides much happiness and many problems.

Tearfully we say Martha Breedlove and Ellen White are no longer with us. It seems in their struggle to be lab technicians they mixed the wrong reagents and. . .BOOM!

Marilyn Ayscue, Mary Newman, Rose Bowles, and Peggy Riley are flying high and handsome as airline hostesses.

Dottie Hayes, Cathy Harris, and Jane Tidwell have found happiness and success in the field of art.

It seems there is plenty of sunshine and hay for Dickie Brafford, known as Farmer Dick.

Crystal Hartness, Nancy Harris, and Donna Sturges flavor everything. They are the vanilla of society in Henderson, Oxford and Warrenton, respectively.

All the teenagers spend their time at Bobby Kearney's drug store, where he is a successful pharmacist.

Linda League has found that beauty and wisdom gives good results. Apparently she has these qualities since she got the results. (New York penthouse, wealthy husband, and fur, fur, and more fur.)

Surprisingly enough, athletics (finger athletics that is) have provided a career for Frances Garret. Her piano solos are world famous.

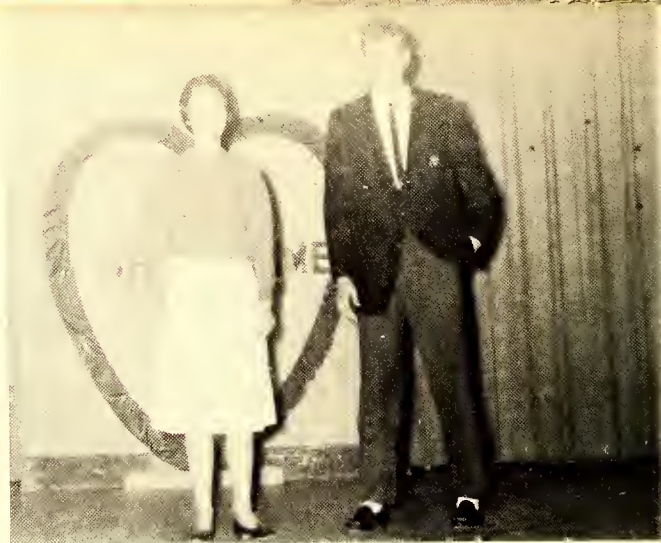

After reading the roster, I noticed that Barbara Daniel Perry and Rev. Charles Perry were rushing in after delivering a lecture on foreign missions. Seeing Barbara come in I knew that it must be late, so I joined my fellow classmates.

As I entered the auditorium, I hoped we would just sit around and talk about the good old times. I wasn't in the mood for a dance or party since I had danced the past ten years of my life. I knew that the people I would see would not be like those ten years ago; but I only wanted to remember the happy times and see the graduates as the carefree Seniors of yester-year.

Organizations

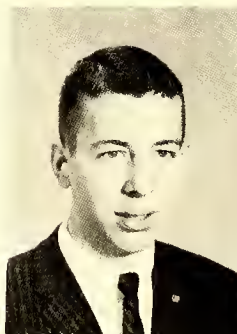

ORGANIZATIONS

LEST WE FORGET the opportunities offered to us through our organizations, as there is a place for everyone. The intellectual and the athlete can each fulfill their interests in at least one of our clubs.

The key to our school and to our personalities can be found in the caliber of our organizations. The traditional Tuesday club meetings bring our student body together in a co-operative work session. Here, youth directs its own destinies under adult supervision and uses as its motto, "Service to the individual, to the school, and to the community." This is the balancing force that produces the well-rounded student, the person socially adjusted as well as academically prepared. He is trained in making decisions and carrying them to completion, the principle of our democratic way of life.

THE STUDENT COUNCIL

Our Student Council is probably our most important organization. It acts as the legislative branch of our student body and all other organizations are subject to its authority. It is the official voice of the students, being composed of a boy and girl from each homeroom and headed by a president, vice president, secretary, and treasurer, all selected from the student body.

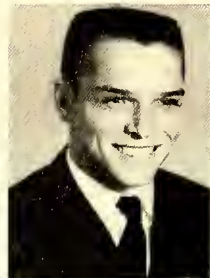

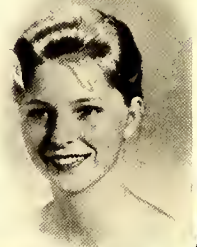

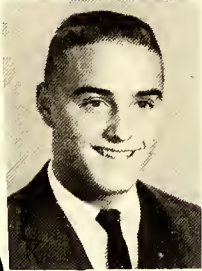

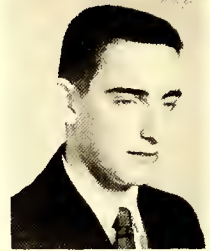

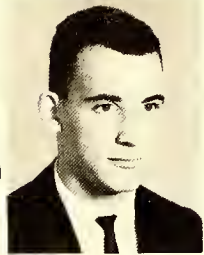

Our council also promotes many of the highlights of our school year. It sponsors School-Spirit Week, Homecoming Week, College-Career Day, Religious Emphasis Week and Sadie Hawkins Week. It is responsible for our weekly assembly programs and this year, the Student Council has selected, "An Introduction to the Honor System" as its special project. Yes, our Student Council is our most important organization.

JOHN T. ALDERMAN CHAPTER

To be a member of this organization is a coveted privilege. Members are chosen by the faculty on the basis of Character, Service, Leadership, and Scholarship. The new members are tapped into the Society each year at the beginning of the second semester. The total membership cannot exceed five percent of the Sophomore class, ten percent of the Junior class, and fifteen percent of the Senior class.

This Society can commend itself in having carried out many worthwhile projects which have been beneficial to the school. Among these are: the parliamentarian workshop held in the fall, and International Day featuring interesting talks by foreign students.

The Future Homemakers of America is the national organization of pupils studying homemaking in junior and senior high school of the United States and its territories.

Purposes of these organizations indicate that they are a definite part of the regular high school homemaking program. They offer splendid opportunities for enriching the homemaking experiences of their members, for developing leadership abilities and for working co-operatively with their fellow students.

HENDERSON HIGH SCHOOL BAND

The Henderson High School Band, which was organized in 1937 with only eight members, has grown into one of the largest and most recognized bands in the state. During football season the marching band played parades in the Henderson business district prior to every home game, and presented a variety of shows at the halves.

Following marching season, the concert band presented its annual Christmas program which was very successful. Immediately after the Christmas holidays, the band members settled down to work on numbers for the State Contest in Greensboro. Following the contest the band will present a Spring Concert.

LEADERS

LEST WE FORGET those who possessed the ability to lead. Here at Henderson High School are found a great many leaders of all different kinds and descriptions. In this section of the Pep Pac we salute some of our distinct and active leaders. They possess the qualities of patience, skill, originality, and determination that are essential in being a great leader.

Publications

LEST WE FORGET the headlines. . .dead-
lines. . .lost minds. Some have laughed; some
have cried. All have nearly died- but the Pep-
Pac and the Bulldog have gone to press. Some
of the annuals and newspapers will be stored in
the bottom of a chest, and some will be displayed
on a table in a bedroom to one day welcome an
adult returning from college. Some will become
the victims of our children's inquisitive little
hands, and some will be misplaced as we move to
a new home. But none will be forgotten. Many
years from now, in the fall of our lives, some of
us will open this book again or look back at our
dated newspapers. The pictures and captions will
mean even more to us then, when our classes exist
no more and these are faraway, dim memories.
The 1960-61 Pep-Pac and Bulldog will hold the
magic of memory and the immortality of Hender-
son High School.

Athletics

ATHLETICS

LEST WE FORGET a traditional scene--the male athlete and the female rooter. This represents the physical side of our well-rounded student, who must have an outlet for pent-up energies. On gridiron, track, court, field, or course, he develops skill, coordination, and sportsmanship. These are necessary qualifications for the game of life. Physical development is the evident reward of participation in high school athletics, but the intangible results can be much more important to the individual. Here is another way to grow and to mature mentally and spiritually. The young men and women on our various teams, and the cheerleaders who encourage them, profit immensely from each contest, be it won or lost. Good sportsmanship and sincere effort are the important elements of athletics. Keeping these in mind, the participants develop in the ability to think quickly, and to act quickly.

In the fall, the glory of the football season begins and leads the agonistic life at H. H. S. The series of varied sports that follow offer wholesome entertainment for the Bulldogs.

High School without athletics is difficult to imagine, for they are an essential part of our year.

1960-61 COACHING STAFF

Our coaching staff for the year 1960-61 includes three returning coaches: Coach Piestrak, Coach Stephenson, and Coach Rollins; and one newcomer, Miss Mary Greene.

The Head of our Athletic Department, Coach Emil S. "Pete" Piestrak, has returned for his seventh year at Henderson High School. Originally from Pennsylvania, he received his Master's Degree in Physical Education from East Carolina College. Coach Piestrak is head basketball and baseball coach and an assistant football coach.

Coach Wade Stephenson is at Henderson High for his fourth year. Prior to coming here, he graduated from Angier High School and Atlantic Christian College and coached at Selma High School for five years. He serves as head football, freshman basketball, and track coach.

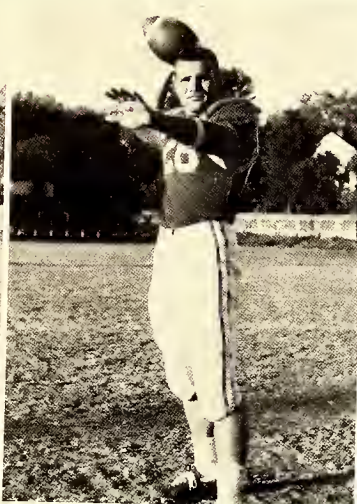

Returning to H. H. S. for his third year, Coach Ted Rollins acts as assistant football coach, and coach for the tennis, golf, and junior varsity basketball teams. He attended Selma High School and Wake Forest College.

Miss Mary Greene, a native of Star, N. C., has come to Henderson High for the first time this year. She is a 1960 graduate of Woman's College in Greensboro and did her practice teaching here. In addition to being girls' physical education director, she is the coach of the girls' basketball teams.

BASEBALL TEAM 1960-61

The familiar call of the umpire rings in our ears, "Play Ball." The pitcher is on the mound, gets his signal from the catcher. There's the wind-up, the pitch, a called strike, and the 1961 baseball season is underway for the Henderson Bulldogs.

Out baseball teams, coached by "Pete" Piestrak, have always given us fine performances, and this year they can hardly be anything different.

Left to right: Wade Riggsbee, Buster McDade. Second row: L. H. Roberson, Wesley Kelly.

BATTER UP!

To you, the guardians of our spirit,
Who cheered us through our school year;
For your support in leading us,
From deep in our hearts—we raise a cheer!

Cheerleaders

Cheerleaders

Can you picture a ballgame or any athletic event without CHEERLEADERS??? I can't and I'm sure you can't if you have any school spirit at all.

People have the impression that cheering is just a lot of fun, and pleasure. Well, this is true but there is also work to do.

Cheering takes vigor, vim, and vitality. Under all weather conditions, these twelve colorful girls are always on hand to back their team, whether it is a win or a loss.

The cheerleaders show good sportsmanship by welcoming the opposing team and students to our home grounds.

This year the cheerleaders chartered buses so that they and the students could follow their team on out-of-town games.

Yes, wherever you hear the sound "Come on everybody let's YELL," then you know our cheerleaders are backing H. H. S.

Features

Features

A full and lively year, 1960-61 goes on record in our memories as nine unforgettable months. We saw many of the traditions: College Career Day, School Spirit Week, Homecoming, the Key Club Auction, and other events that we will always cherish. It was a year of milestones and honors for all of us. We also had outstanding individuals. We feature these events and individuals as the high spots of an unequalled year.
